

Support and Supervision for Community Health Workers

July 8 & 9, 2021 9am - 12:30pm

Deepen your knowledge of promising practices to support and supervise CHWs with mindfulness and humility and set them up for success!

By the end of this workshop participants will:

- Understand the basics of the CHW model, including: characteristics of CHWs, scope of CHW services, and how CHW work directly relates to health equity.
- Have expanded awareness of industry specific promising practices, qualities, and skills of effective CHW supervision.
- Understand the concept of “trauma-informed supervision” and how this approach aids in the success of CHWs and provision of CHW services.
- Explore the importance of supervisor self-care and identify effective and individualized self-care strategies.

Register online, capacity is limited!

7 CHW CEUs are available upon completion of both days. \$150 general admission, \$100 ORCHWA members, and free for ORCHWA Collaborative Partners (CEW/HOWTO).
